THZ053EU | Targus Zierra™ Leather Portfolio for BlackBerry® PlayBook™

The Targus Zierra™ case features a soft interior designed specifically to protect the BlackBerry® PlayBook™. Featuring a sli tab closure, this top-grain leather case includes pockets for credit cards, photos and notes similar to a billfold. For added functionality, the Zierra case converts into a one-position stand so the PlayBook can be used inside of the case. The interior features a loop for a pen or stylus and a re-useable cleaning pad made of soft, scratch-resistant material which stores in a convenient pocket inside of the case.

The Zierra Leather Portfolio combines quality construction and utility with premium leather material, providing a professional looking case, to store some of the extras you may need for a meeting or travel.

Rigid case construction protects against bumps and scratches

High quality leather

Soft interior that protects your Blackberry from scratches

Includes cleaning pad that quickly and safely removes greasy fingerprints
